MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: Draft NIC Outlook

Both the Qadhafi piece and the Nicaragua piece need tightening. I have checked some of the things that I think need tightening and where some cutting can be done. The attached cables on the Philippines, together with the impending selection of the Vice Presidential candidate, suggest developing a piece on that. You might want to pass these Bosworth pieces on to whomever can tackle a piece on the Philippines. I agree that the European reaction on the Summit did not measure up.
